PROFESSIONAL WEB-CONTENT

Two ways of selling content and earning of Magna Pars:

1. Own website, market place fastcode.space
<https://fastcode.space>

2. Contracts with design studios, advertising agencies for wholesale of content

VIDEOPLAYER FOR WEBSITES

The target audience of the company is website owners and web developers. Working with them for 5 years, we learned their needs. So we created a video player MPVplayer

Professional video streaming platform

<http://mpvplayer.com/>

MPVPLAYER

The main videoplayer's advantages:

1. Monetization tools
2. Modern technologies
3. Advanced statistics

VIDEOPLAYER FOR WEBSITES
